

APPLICATION FORM

for 'Exemption from Fees'

Notice to Applicant

Being granted an exemption from paying full school fees is intended to encourage and support families who wish their child or children to receive a high level of education within a thriving environment built and supported on the foundations of the Christian faith but who cannot afford to do so.

The value of an exemption can vary. You will need to show that your income, day-to-day living expenses, assets and liabilities are at such a level that payment of the full fee would cause you financial hardship.

Any parent or family who is granted an exemption may also choose to make a voluntary contribution to the school. Contributions can be in the form of financial, in kind or in the form of any service a parent may render to the school.

Any family who is granted or declined an exemption can re-apply each year during the Opening and Closing date period.

Your Application must be submitted to the Fees Committee with all supporting documents to be processed.

The Fees Committee has a limited budget for fees exemptions, therefore there unfortunately maybe occasions where not all Applications can be approved.

Opening Date: 10 November 2015 *(relevant to existing families only)*

Closing Date: 10 December 2015 *(relevant to existing families only)*

Tenure: Terms 1-4, 2016

Value: Up to 75% of Attendance Dues, as determined by the Fees Committee

It is anticipated that all successful applicants will assist with school fundraising efforts and/or volunteer their own skills in return to help and benefit the school.

Conditions:

- The applicant must be a New Zealand Citizen or permanent resident
- The applicant is already attending or would like to attend KingsView School fulltime within 3 months from the date of this Application and has completed the necessary enrolment process
- The Applicant will genuinely experience financial hardship in the event that full fees are paid

Decision Makers: The Fees Committee is made up of three members from the KingsView Board of Trustees and the exemption provider (the Christian Schools Association of Queenstown) . It is at the discretion of the Fees Committee to grant or decline your Application based on the school's 'Exemption from Fees' Policy document. An informal meeting to discuss your situation may be requested before a final decision is made.
